

Instructions to comply with Department of Community Health Rule 111-8-16-.03(3)(a)

GHA911 Registration

Go to the GHA911 Website (<http://www.gha911.org>) and click the “Register Now” button.

Use the pulldown menu on the next screen to select your organization. If you do not see your organization listed, click the Add Organization button and follow the instructions provided.

Once you have selected your organization, the next screen asks you to enter your account information. In the username field, please enter your first initial and last name.

Continue filling in the information on this page. The required fields are highlighted in yellow:

- o Username
- o Password (and Confirm Password)
- o First Name
- o Last Name
- o Email Address
- o Business Address
- o Business Telephone

You can select a job category from the dropdown menu and click the check boxes beside any professional groups you are a member of.

Click the “Continue” button and review the information on the confirmation page. If any of your information is incorrect, click the edit button to go back to the account information screen. If the information on the confirmation screen is correct, click the “Continue” button to submit your information and complete the registration process.

Your user account will then be sent to a system administrator for approval. Once your account has been approved you may then login to GHA911 and begin using the system. If you try to log in prior to your account being approved, you will receive an error message.
