However, I could also ysical, speech, and occupably a licensed healthcare point of care. Health maintenatable outcomes and do not administering medications.	ryself, but for to be taught by ational rofessional to do nce activities require by injection	
 using proxy caregivers may make it more affordable or convenient for me to receive health maintenance activities I need in the place I consider my home rather than in a more structured kind of healthcare facility, such as a nursing home or hospital; 							
my proxy caregivers are not licensed healthcare professionals and have not had the same extensive training that licensed healthcare professionals receive;							
3. there may be additional health risks in having unlicensed proxy caregivers do health maintenance activities for me since they may not recognize an important change in my medical condition that needs to be assessed or treated by a licensed healthcare professional;							
I am consenting to my medical information being shared with my proxy caregivers to be trained to provide care to me;							
5. health maintenance activities will be provided pursuant to the written orders of an attending physician, advanced practice registered nurse, or physician's assistant and further detailed in the written Plan of Care;							
6. my consent for proxy caregivers to perform health maintenance activities for me may be revoked at any time either orally or in writing by notifying the designated proxy caregiver or licensed healthcare professional involved with my care.							
My Health Maintenance Activities: I give my consent for my proxy caregivers to do the following health maintenance activities for me. These health maintenance activities may be further explained on my written plan of care.							
My Proxy Caregivers: I give consent for the following selected proxy caregivers or Licensed Healthcare Facility proxy caregivers to provide the health maintenance activities listed above for me. (Attach a list of names of Proxy Caregivers Trained to Provide HMA's for this Resident; Update the attached list if changes from original list occur)
